Trauma Nursing Core Course (TNCC)

Time: 8:00am

Empower yourself with the knowledge, critical thinking skills, and hands-on training to provide expert nursing care to trauma patients. (CEU = 18.3)

Join us for TNCC class using the newest 8th edition. Class is no longer 2 full days of lectures but now a mix of case discussions, games, powerpoints, and demonstrations. Second day is shorter; estimated to end around 3pm . You will be expected to pass a skills station on Day 2 . Note the exam is now online. You will need to take the exam at home within 7 days of class completion. This is a 1 & 1/2-day course, held on the listed start date and the next consecutive day during the same start hours.

An ENA TNCC four-year provider verification card will be issued to those registered nurses who achieve 80% or higher on the multiple-choice exam. The TNCC may be officially attended by Registered Nurses (RNs).

LPNs and paramedics are eligible to attend all portions of the course except for the written and psychomotor evaluations. For this reason, they do not receive verification, but are awarded contact hours (CEU's).

Minimum of six participants must register for a session to be held.

Please call 509.221.5119 to register and pay for all classes.

We accept Discover, Mastercard and Visa for credit card payments.

COVID-19 Restrictions

Out of an abundance of caution, the Trauma Nursing Core Course is currently restricted to employees only. We apologize for the inconvenience.
