

**Trios Health** is driven by our mission of *making communities healthier*.<sup>®</sup> We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

**David Elgarico,**  
Market President and CEO

## 2023 Community Benefits

**Added 93 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in cardiology, family medicine, general surgery, internal medicine, nephrology, orthopedic surgery and podiatry.

**Made nearly \$2.3 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a replacement defibrillator, an Aquablation robotic system for urology and an expansion to the intensive care unit and progressive care unit.

**Distributed a payroll of \$98,909,318 to approximately 935 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Donated more than \$25.9 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**Paid \$12,533,388 in taxes**

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Trios Health hosted Camp Trios, a summer camp for children with diabetes.

Trios Health, in partnership with Lourdes Health, presented a check to the Grace Clinic with proceeds from the Tough Enough to Wear Pink rodeo event.

Representative April Connors toured the Trios Birth Center, which opened in March 2022.
