Our role as a leading provider of healthcare and economic support for our neighbors is driven by our mission of Making Communities Healthier<sup>®</sup>. We are privileged to call this vital community home and proud to be part of a national diversified healthcare delivery network that allows us to continue to enhance how we care for those we serve.

The support of LifePoint Health and community partners like you help us to advance our mission and create places where people choose to come for healthcare, physicians want to practice and employees want to work. Thank you.
