

**Trios Health** is committed to providing high-quality care close to home, further enhancing and expanding our services, and making the right investments to promote and protect the health of our region. We take seriously our responsibility to advance our mission of *making communities healthier*® and support our community as a vital economic engine. Our dedicated team is committed to going above and beyond to meet the needs of those we serve – both inside and outside our hospital walls. With support from Lifepoint Health and community partners, like you, we continue to make a positive difference together and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. Thank you.

**Jeff Bourgeois, Interim CEO**

## 2022 Community Benefits

**Added 91 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in family medicine, urgent and critical care, gastroenterology, neurology/spine care, OB/GYN, general surgery and orthopedics.

**Made nearly \$10.2 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a renovation to wound care, a 3N and ICU/PCU expansion, a replacement defibrillator, pharmacy medicine management system, lab equipment replacements and information system upgrades.

**Distributed a payroll of \$95,249,657 to approximately 920 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

**Donated more than \$15.6 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**Paid \$13,287,848 in taxes**

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Trios Health hosted a ribbon-cutting ceremony to celebrate opening its new Birth Center.

Trios Health hosted Camp Trios, a summer camp for children with diabetes.
